

**REMARKS**

Claim 1 has been amended to overcome the objections set forth in the Office communication. Claims 2-5 have been cancelled. Specifically, claim 1 has been further amended so that the final limitation recites "said link list of primary memory addresses," which provides antecedent basis.

In view of the above amendments, the Examiner is respectfully requested to pass the above application to issue at the earliest possible time. Should the Examiner find the application to be other than in condition for allowance, the Examiner may contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.

The Commissioner is hereby authorized to charge any fees associated with this communication to Deposit Account No. 20-0668.

Respectfully submitted,
